

# ROGUE VALLEY COUNCIL OF GOVERNMENTS

## Natural Resources Technician

### Job Announcement

#### ABOUT THE POSITION

The Rogue Valley Council of Governments is seeking a Natural Resources Technician to perform water sampling, laboratory analysis, data entry, and assist with department projects (e.g., riparian restoration and education and outreach activities). The Technician will also maintain field and lab supplies, develop water quality monitoring data spreadsheets, procedural documentation, and reports, and provide technical assistance on natural resource projects.

Hours: Part-time, 20 hours per week.

Starting Salary: \$13.37 - \$15.56 per hour, depending on experience.

#### DESIRABLE QUALIFICATIONS

In order to be considered for this position, applicants must have a combination of education and experience equivalent to that outlined below, plus any other listed screening qualifications.

- Education: Associate's Degree or equivalent with coursework in environmental science, chemistry, biology, or related field; Bachelor's Degree preferred.
- Experience: Experience in laboratory analysis and field sampling or related work.
- Substitution: Any satisfactory equivalent combination of education, training, and experience which demonstrates the knowledge of, skills, and abilities required to perform the duties of the job.
- Special Requirements: Must have or have the ability to obtain an Oregon driver license or have immediate point to point transportation available, and pass a Criminal History Background check.

#### APPLICATION PROCESS

For application instructions, please visit "How Do I – Apply for a Job" at [www.rvcog.org](http://www.rvcog.org). A cover letter, current resume, and completed RVCOG Employment Application are required to apply for this position.

This position will remain open until filled. Interested applicants are encouraged to apply as soon as possible as the position will be filled when a suitable candidate is identified, and applications will be considered as they are submitted.
