

CITY OF PHOENIX, OREGON | CITY MANAGER

APPLICATION SUPPLEMENTAL QUESTIONNAIRE

As part of the required application packet, please prepare responses to the following questions and submit along with your cover letter, resume, and completed City Employment Application form. (Use of this questionnaire form is not required; answers may be submitted in a separate document, not to exceed one page for each answer.)

1. Please provide examples of your successes in community engagement. What specifically has worked well and not as well as you thought it would?
2. Please describe your experience managing, directly or indirectly, long range strategic planning including budget preparation, environmental improvements, land use planning, and economic development.
3. Please describe your leadership style and experience building effective working relationships with staff and other government officials.
