

Disaster Registry for Jackson and Josephine Counties, Oregon

Would you need special help in an emergency?

You might want to apply to be in the Disaster Registry if--in the case of a flood, forest fire or other disaster--you or someone you care for would:

- Need outside help to safely leave your home during a disaster
- Be in jeopardy if you stayed in your home, without assistance, for three days
- Need special notification about the need for evacuation, due to impairment

If you want to be on the Disaster Registry, or if you want someone for whom you are legally responsible to be on it, please fill out the application completely, sign the form and mail to the address below. Once we receive your application, it may take three months or more for your information to be available to Emergency Services.

This Is Not a Rescue Plan!

During a disaster, the Disaster Registry provides Emergency Management with the locations of people who may require assistance. However, **you should not depend on the Registry to keep you safe.** In a disaster, responders may not be able to reach you, even if you have signed up for a registry. Instead of relying on a registry, you should make an individual plan to meet your specific needs in an emergency. Instructions about preparing for a disaster can be found at [Get Ready Rogue Family Emergency Preparedness Handbook](#), [Emergency Preparedness and Disability Inclusion](#), or [Ready.gov Build a Kit](#). Once you are on the Disaster Registry, a phone volunteer will contact you to keep your information current. If you have any questions about the Disaster Registry, please call Senior & Disability Services of Rogue Valley Council of Governments at (541) 664-6674.

Complete, sign and return the attached application form to:

Please remember: even if you are on the Disaster Registry, you should call 911 if you find yourself in a life-threatening situation
